

School Savings Program 2015-2016

Save Money - Earn Rewards!

When you join the School Savings Program, you will learn to save money for things you want now, and for the things you want in the future. Each time you save you earn a small reward. Every month you receive a larger reward. At the end of the school year, you will receive one of three great rewards that you have earned!

Parents:

Since 1968, River Valley Credit Union has been offering the School Savings Program in area schools. As a not-for-profit financial cooperative, a big part of our mission is to serve the local communities with programs that lead to financial literacy. The School Savings Program has been proven to open that door. The goal of the School Savings Program is to teach children to save consistently. This is one way to begin learning about personal finances; saving, budgeting, and managing the money that they have.

This program fosters consistency with long and short term rewards. With a minimum deposit of just one penny, any child can be rewarded for saving.

Application and instructions, plus sign up options on back side.....

SPECIAL NOTICE

For the 2015-2016 school year, you can either return this form to your child's school to be picked up by an RVCU representative, or bring it to one of our 5 convenient offices to open the account in person.
(See documentation required below).

This school year a River Valley representative will visit the school every week except for vacation weeks, starting the week of October 5th, 2015, and ending the week of April 4th, 2016.

A small reward will be given out each week, and a larger reward will be given out once a month. Your child's choice of the Canyon Backpack, Active Lifestyle Kit, or Camo Cooler Bag will be delivered in April 2016.

The only requirement is that your child save at least one penny 12 times during the school year...that's it. The goal is to introduce them to consistent saving. The credit union pays the current interest on all balances and withdrawals can only be made at a River Valley office, and no change can be made at the schools.

DOCUMENTATION YOU WILL NEED TO SUPPLY PER FEDERAL REGULATIONS:

To open any kind of an account at any bank or credit union, you are required to provide specific documentation.

To enroll your child in the School Savings Program you will need to provide the following:

Child's Social Security Card • Child's Birth Certificate • Valid Parents Driver's License • Proof Of Address.

• Child's Name _____	• Grade _____
• Does your child already have an account with River Valley Credit Union?	<input type="checkbox"/> Yes <input type="checkbox"/> No
• If yes, what is the ACCOUNT NUMBER? _____	
• If no, please fill out your home address with your most convenient contact phone number. We will mail you the legally required forms and disclosures.	
• Parents Name _____	
• Address _____	

• Most convenient Phone Number (Daytime) _____	

Please return this form to your school by September 18, 2015.
